

Skills Enhancement & Tutoring Center

- ◆ The SETC provides tutoring and other academic support, such as Supplemental Instruction and workshops, to help you be a more successful student.
- ◆ Our trained tutors are PSU undergraduate and graduate students who are knowledgeable in their fields and who are recommended by faculty.
- ◆ Our mission at the SETC is to help students become better learners. We hope our tutors not only assist students with their immediate course needs but also foster strategies that create academic success.

(503) 725-4448

PSU's Skills Enhancement & Tutoring Center provides free tutoring in mathematics and statistics, the sciences, and world languages. Please check our website for the current term's schedule (www.setc.pdx.edu).

We offer several workshops per term. These vary but may include topics on time management skills, test-taking strategies, and graphing calculator usage.

In addition, we have Supplemental Instruction leaders who hold regularly scheduled sessions in targeted courses.

Feel free to come by and use our resource area. We have books, references, and guides to help you survive college and study for graduate exams.

You can also send quick questions to tutoring@pdx.edu. Details are on our website.

Our center is open only to currently enrolled PSU students as we are funded by student fees.

Other PSU Tutoring Resources

- ◆ **BUSINESS:** Members of Beta Alpha Psi offer tutoring for BA 211, BA 213, ACTG 381, and ACTG 382 in SBA 694. See www.betaalphapsi.pdx.edu.
